Course Objectives

This is a very comprehensive & thought-provoking course. It appraises the students of our national independence movement. It has been so designed as to develop among the students the feeling of Pakistani patriotism, Islamic nationalism, and pan-Islamism.

Its purpose is to create among student some of pride about the historical legacy of our glorious past. It aims at creating among them awareness about various phases of our struggle for independence from both the British rule and Hindu majority domination. It also appraises about the rational of achieving an independent & separate Islamic State, about the tremendous sacrifices our ancestors and the urgency of the establishment of an Islamic egalitarian society in Pakistan based on the Islamic principles of equality brotherhood, justice and tolerance.
